2. I'd like to write a review of "leagueofgraphs.com" website. The site ²⁰ is connected with a videogame "League of Legends". It provides general information about this game as well as advices and players' performance statistics. From this website you can download replays of your games, as well as other players' ones. The site has neat and quite colorful modern design, graphics ²⁰ are pleasant to look at. Leagueofgraphs.com doesn't contain much sound and media, apart from game records and highlights. This site has a wide range of special features, such as pro-players tips and advices, helpful notes about the game process, and so on.

I absolutely like this site and recommend you to use it if you play League of Legends.
